Report Date: November 12, 2018

Team Members: Anelle Concepción, Emily Andrus, Shanisa Butt

Project Title: Groundwater Mapping

1) Summary of technical/non-technical challenges encountered

- Well data files were provided by INDRHI, but there are many more wells in the Dominican Republic that the team needs data for.
- The sponsors want the Scope of Work translated into Spanish.

2) Team approaches & resolutions to overcome challenges

- Emails will be sent to INAPA to request more well data.
- The Scope of Work is in the process of being translated into Spanish.

3) Status of challenge resolutions & potential project impact

- The team met with the sponsor, which helped all of us to understand the expectations and resources of both the team and the sponsor.

4) Project status & summary

- The team met with the sponsor.
- Files were sent, and more well data files will still be sent from the sponsor.
- The Scope of Work is being translated into Spanish.
