

**Project Status Report: CEE-2018CPST-001**

**Report Date: 18 March 2019**

**Team Members: Ryan Wilkinson, Shane Oh, Rex Henretta**

**Project Title: Bluffdale Bridge Options**

**1) Summary of technical/non-technical challenges encountered**

- Getting complete information regarding the economic analysis was more challenging than expected.

**2) Team approaches & resolutions to overcome challenges**

- Approach is simply to work together to talk through the options and make engineering judgements. We also contacted as many people as we could to provide more information regarding the different options' costs.

**3) Status of challenge resolutions & potential project impact**

- Economic analysis mostly finished, needs review and formatting

**4) Project status & summary**

- Presentation is being prepared. Will be complete by next Monday.
- Report is complete except for economic analysis
- Model is complete
- Poster is nearly complete

Please enter # of hours spent on project this last week for each team member in the order listed above
