

**Project Status Report: CEE-2016CPST-011 Team Bhukampa Aid**

**Team Members: Kevin Gibelyou, Eric Holmstead, Taylor Dayton**

**Date: April 7, 2017**

**1) Summary of technical/non-technical challenges encountered**

- Difficulty in evaluating the priority of different code change recommendations
- Creating the poster, PowerPoint and final report in a corresponding manner so that they support each other.

**2) Team approaches/resolutions to overcome challenges**

- Collaborative document with different sections for each member of the team to work on their own code recommendations
- Joint effort in preparing presentation tools.

**3) Status of challenge resolutions & potential project impacts**

- Our project is essentially finished but we are finalizing the deliverables and the presentation tools.

**4) Project Status & Summary**

- Our project is on schedule for completion.
- Objectives accomplished: Established final code recommendations, brought them together in our final report.
